

Arts & Culture Commission

The Mission of the Sedona Arts and Culture Commission is to be the catalyst for creating excellence in arts and culture, thus contributing to a vital economy and the highest quality of life for all.

- Continue the Arts Education Program, working toward strengthening and increasing financial support for the Arts Education Coordinator and artists in the Classroom
- Continue Mayor's Arts Award Program for individuals, businesses and organizations while increasing the quality of event
- Continue Art in Public Places programs (roundabout art, public art donations, pop-up galleries, art rotation at City Hall, visual, street and performance art, and cultural opportunities)
- Continue participation in the development of Sedona as a learning center for arts and culture where appropriate
- Implement listening sessions with the local Arts and Culture community
